ALTERATION INFORMATION

Most LAGOS bracelets, rings, and necklaces can be custom sized for an individual, comfortable fit. Because each resizing is crafted by hand, the lead time can take up to 3-4 weeks to process. There are two options for your resizing – at the time of purchase or taking your piece to the LAGOS Store.

To provide the best service to you, we are able to begin the process of your alteration and resizing directly at the time of your purchase. At the Sample Sale, Customer Service will be able to answer any questions you might have about our resizing service, estimated timeline of your resizing, and delivery options.
